Keyboard Kids – A Complete Piano Method

Carolyn Carson

Santorella

The *Keyboard Kids* series fills a void in piano teaching by emphasizing material that is suitably designed for the primary grades. This unique method works together, creating flexible and adaptive lessons that are clear and concise. Each lesson supports the *Kodaly* genre of teaching notes & rhythms by using words & music in short, four measure lines to teach basic concepts. *Carolyn Carson's Keyboard Kids* approach is proven to be successful with a broad-range of students including autistic children.
